- 2) Wrap the ring sizer around your ring finger with the number side visible to you.
- 3) Take note of the number that appears closest to the slit - that is your ring size.

PROCEDURE 2: Measure an existing ring

- 1) Select a ring you have that fits perfectly your finger.
- 2) Place the ring over the circles below until the inside of it matches a specific size.
- 3) If you must decide between two size, choose the larger.
